13 March 2026

Dear Parents and Families.

It is with a heavy heart that we share some difficult news. After 15 wonderful years of learning and growing together, Little Lantau Montessori Kindergarten will close its doors at the end of the current 2025-2026 school year.

When we opened in 2011, our dream was to create a genuine Community Montessori that would leave a lasting and positive imprint on every child who walked through our doors. While your incredible support has been our greatest strength, the school is currently facing financial pressures that we can no longer sustain. We have been using personal reserves for many months to cover essential costs—from teacher salaries to rent—but with our current and predicted student numbers, we simply cannot remain open for the 2026-2027 year and beyond.

This is not a decision we have taken lightly as it affects all concerned. We know this will come as disappointing news, and we truly regret the impact this will have on your families.

It has been an absolute gift to witness the "secrets of childhood" alongside your children. To our parents, old and new: thank you for trusting us with your children's journeys. It has been an honour to be part of your lives and to watch your children discover the wonders of the world.

We are committed to making this final year a beautiful and memorable experience for everyone. Thank you, from the bottom of our hearts, for being part of our story.

With love and gratitude,

... and on behalf of all at LLMK,

Ms. Maria
